SIM Card Certus Land | Postpaid

SIM Card Certus Land is the SIM for Iridium MissionLINK terminal.

The Postpaid includes different plans, with traffic allowance and different rates, according with the customer's needs. Inbound calls are free through all Iridium Coverage Area.

The subscription to a Postpaid plan is the ideal solution for those who require a satellite service always available anywhere and anytime, without the need to top-up the SIM Card.

The duration of the subscription refers to calendar month (from the first to the last day of the month). In the event that the activation of the SIM is not on the first day of the month (day 1), the pro-rata will be applied. The pro-rata, referred to the monthly fee and the traffic included, will be applied until the first calendar day of the month following the activation.
