## SIM Card Standard | Renewal

When the credit or the SIM validity are expired, one of the following action must be performed:

- › Top-up: if you want to add credit or extend the SIM validity
- › Validity extension: if you have sufficient credit and you need just to extend the validity of the SIM card.

The validity of the top-ups can be combined each other and the credit can be used within two years.

You can top-up the SIM Card in real time by choosing one of the following modes:

- › Online: [intermatica-shop.it](http://intermatica-shop.it);
- › Offline: Intermatica Point of sales.

Intermatica offers the following top-up for the Prepaid Plan: 4,500, 12,000 Units.

The 18,000, 36,000, 45,000, 180,000 and 300,000 Units top-ups are available on request.

### Top-up

Description	Validity	Costs
Validity extension	30 days	€ 56,56
4,500 Units	60 days	€ 184.43
12,000 Units	180 days	€ 491.80

Prices in € - Euro (EUR), VAT is not included

## CREDIT BALANCE

You can check the SIM Card credit balance by choosing:

- › Intermatica Customer Care: writing to [ConTe@intermatica.it](mailto:ConTe@intermatica.it)
- › Voice: by calling the 2888 in satellite mode, service free of charge

## GRACE PERIOD

On the natural expiry date, the system will automatically renew the SIM Card by withdrawing the amount necessary from the remaining credit.

If the remaining credit is insufficient, the SIM Card enters in a Grace Period phase for 270 days. During this period the service is available only in reception and it is possible to reactivate the SIM Card with a top-up.

If there is no renewal operation within 270 days, the SIM will be permanently deactivated and it will no longer be reactivated.
