Data billing increment: data package with increment of 100 kbytes.

* Rates also valid for 9.6 kbps dial-up data connection through the Thuraya short number Thuraya 1722.

Thuraya SIM Card in satellite mode does not allow calls to national numbers on ranges 1, 4, 7 and 8 (i.e.: emergency numbers, toll-free numbers, customer care, etc.). To call the emergency numbers you need to find the reference geographic number (i.e.: 06XXXX, 02XXXX). It is possible that some GSM operators may inhibit the sending/receiving SMS to/from satellite phones.

SIM Card Nova Nano Silver & Nano Gold | Renewal

12 months after activation it is necessary to renew the SIM (a text message on the satellite number will inform you 15 days before the deadline). The renewal is free for consumption above € 1,500 Units/year, for lower consumption the cost is 39 Units for a further 12 months.

You can top-up the SIM Card in real time by choosing one of the following modes:

- › Online: intermatica-shop.it;
- › Offline: Intermatica Point of sales.

Intermatica offers the following top-up for the Prepaid Plan: Standard, Plus, Large, Extra-Large.

Top-up			
Description	Units	Validity	Costs
Standard	50	365 days	€ 60.66
Plus	100	365 days	€ 121.31
Large	160	365 days	€ 194.10
Extra Large	500	365 days	€ 606.56

Prices in € - Euro (EUR), VAT excluded.

CREDIT BALANCE

You can check the SIM Card credit balance by choosing:

- › Intermatica Customer Care: writing to ConTe@intermatica.it
- › Voice: by calling the 151 in satellite mode, service free of charge
- › SMS: by sending a text-free SMS to the 151 in satellite mode, at the cost of an SMS
- › Keyboard: by typing on the keyboard *151# followed by the green call button, service free of charge

GRACE PERIOD

On the natural expiry date, the system will automatically renew the SIM Card by withdrawing the amount necessary from the remaining credit.

If the remaining credit is insufficient, the SIM Card enters in a Grace Period phase for 90 days. During this period the service is available only in reception and it is possible to reactivate the SIM Card with a top-up.

If there is no renewal operation within 90 days, the SIM will be permanently deactivated and it will no longer be reactivated.
