SIM Card FleetBroadBand | Postpaid

SIM Card FleetBroadBand is the SIM for Inmarsat marine terminals.

The Postpaid includes different Rate Plans with traffic included according to your needs.

Inbound calls and text messages are free throughout all Inmarsat Coverage Area.

The subscription to a Postpaid plan is the ideal solution for those who require a satellite service always available anywhere and anytime, without the need to top-up the SIM Card.

The duration of the subscription refers to calendar month (from the first to the last day of the month). In the event that the activation of the SIM is not on the first day of the month (day 1), the pro-rata will be applied. The pro-rata, referred to the monthly fee and the traffic included, will be applied until the first calendar day of the month following the activation. No pro-rata will be applied when terminating the subscriptions.
