SIM Card Africa | Renewal

When the credit or the SIM validity are expired, it is necessary to top-up the SIM Card.

The validity of the top-ups can be combined each other and the credit can be used within two years.

You can top-up the SIM Card in real time by choosing one of the following modes:

- › Online: intermatica-shop.it;
- › Offline: Intermatica Point of sales.

Intermatica offers the top-up with 7,200 Units.

Top-up

Description	Validity	Costs
7,200 Units	365 days	€ 360.00 PROMO € 310.00

Prices in € - Euro (EUR), VAT included

CREDIT BALANCE

You can check the SIM Card credit balance by choosing:

- › Intermatica Customer Care: writing to ConTe@intermatica.it
- › Voice: by calling the 2888 in satellite mode, service free of charge

GRACE PERIOD

On the natural expiry date, the system will automatically renew the SIM Card by withdrawing the amount necessary from the remaining credit.

If the remaining credit is insufficient, the SIM Card enters in a Grace Period phase for 270 days. During this period the service is available only in reception and it is possible to reactivate the SIM Card with a top-up.

If there is no renewal operation within 270 days, the SIM will be permanently deactivated and it will no longer be reactivated.
