## SIM Card Nova: Silver & Gold | Prepaid

EXCLUSIVE

SIM Card Nova Silver and Nova Gold are the SIM Card for Thuraya mobile phones.

Intermatica plans offer the cheapest rates on the market from Nova Countries, Italy included (see Origine Zones - Nova Countries). They provide a single plan with traffic included and rates depending on the destination (see Destination Zones) and the origin of the call.

Calls and text messages are free throughout all Thuraya Coverage Area.

The Prepaid is the ideal solution for those who prefer a satellite service without monthly fees.

Price Plans	Silver	Gold
<b>Basic Services</b>

Prices in € - Euro (EUR), VAT included.		

NOTE  
Voice billing increment: every 60 seconds, without connection fee. Inbound voice traffic is free of charge.  
Data billing increment: data package with increment of 100 kbytes.

\* Rates also valid for 9.6 kbps dial-up data connection through the Thuraya short number Thuraya 1722.

Thuraya SIM Card in satellite mode does not allow calls to national numbers on ranges 1, 4, 7 and 8 (i.e.: emergency numbers, toll-free numbers, customer care, etc.). To call the emergency numbers you need to find the reference geographic number (i.e.: 06XXXX, 02XXXX). It is possible that some GSM operators may inhibit the sending/receiving SMS to/from satellite phones.

## SIM Card Nova: Silver & Gold | Renewal

After 12 months from activation it is necessary to renew the SIM (a text message on the satellite number will inform the customer 15 days before the deadline). The renewal is free for consumption above € 2,100/year, for lower consumption the cost is 39 Unit for a further 12 months.

You can top-up the SIM Card in real time by choosing one of the following modes:

- › On web site [intermatica-shop.it](http://intermatica-shop.it);
- › At the point of sales.

Intermatica offers the following top-up for the Prepaid Plan: Standard, Plus, Large, Extra-Large.

Top-up			
Description	Unit	Validity	Cost*
Standard	50	365 days	€ 74.00
Plus	100	365 days	€ 148.00
Large	160	365 days	€ 236.80
Extra Large	500	365 days	€ 740.00

Prices in € - Euro (EUR), VAT included.

### CREDIT BALANCE

You can check the SIM Card residual credit:

- › Intermatica Customer Care: writing to [ConTe@intermatica.it](mailto:ConTe@intermatica.it)
- › Voice: by calling 151 in satellite mode, for free
- › SMS: sending a text-free SMS to 151 in satellite mode, at the cost of an SMS
- › Keyboard: by typing on the keyboard \*151# followed by the green call button, for free

### GRACE PERIOD

On the day of the natural expiry, the system will automatically renew the SIM by withdrawing the amount necessary from the remaining credit.

If the remaining credit is insufficient, the SIM enters in a Grace Period phase for 90 days. During this period the service is only available in reception and it is possible to reactivate the SIM with a top-up.

If there is no renewal operation within 90 days, the SIM will be permanently deactivated and it will no longer be reactivated.

Always with you
