## SIM Card Certus Maritime | Postpaid

SIM Card Certus Maritime is the SIM for Iridium VesseLINK marine terminal.

The Postpaid includes different plans, with traffic allowance and different rates, according with the customer's needs. Inbound calls are free through all Iridium Coverage Area.

The subscription to a Postpaid plan is the ideal solution for those who require a satellite service always available anywhere and anytime, without the need to top-up the SIM Card.

The duration of the subscription refers to calendar month (from the first to the last day of the month). In the event that the activation of the SIM is not on the first day of the month (day 1), the pro-rata will be applied. The pro-rata, referred to the monthly fee and the traffic included, will be applied until the first calendar day of the month following the activation.

\* Other profiles are available on request, for more information contact Intermatica Customer Service

\*\* Traffic included if not used in the reference month, it can not be used in the following month.

**N.B.:** with Iridium SIM Cards, in satellite mode, it is not possible to call the national numbers in decade 1, 4, 7 and 8 (eg emergency services, toll free number, customer care, etc.). To call the Emergency Service numbers, it is necessary to find the reference geographical number (eg 06XXXX. 02XXXX).
